Alexis Hoi Man Lam

Junior Full Stack Software Developer
Manchester

SUMMARY

A multicultural university graduate with 6 years of professional experience across different industries in Manchester. Raised in Hong Kong and received higher education in the United States. A passion for problem-solving led me to start a full-time software development course with Northcoders. I am seeking an opportunity to contribute and grow in my role.

EXPERIENCE

Oct 2023 - Jan 2024

Trainee Full Stack Software Developer
Northcoders

- Gained a solid understanding of programming fundamentals, which facilitates learning new languages in the future.
- Learned two new technologies and developed a full-stack mobile application within 7-day, as part of a 5-member team.
  Firebase | React Native | Javascript | Mapbox | React Native Paper
  https://github.com/alexislam0207/TRIPPIN
- Implemented a front-end website based on the news server below, designed with UI, UX, and responsiveness in mind.
  React.js | Javascript | HTML | CSS
  https://github.com/alexislam0207/Northcoders-news
- Created a comprehensive back-end news server. Designed with test-driven development to ensure reliability.
  PostgreSQL | Javascript | Express.js | Jest | Supertest
  https://github.com/alexislam0207/news-server
